

T·45

T.45

Un ponte tra classico e moderno. T45, contraddistinto da un'estrema pulizia di linee e da forte personalità, caratterizza un ambiente con una gradevole combinazione di stile tra tendenze estetiche nuove e classiche, solidità formale e funzionalità.

A bridge between classic and modern style T45 is characterized by extremely clean lines and strong personality, it features a pleasant environment with a stylish combination between old and new aesthetic trends, strong and functional

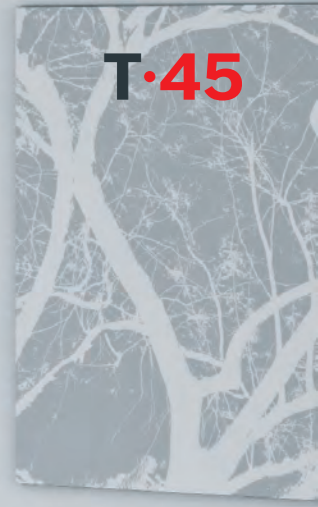

T45 è l'espressione di forme semplici e di ricercatezza stilistica. Le scrivanie, dalle linee essenziali e dalle grandi superfici, si rinnovano integrandosi con mobili di servizio, box multiuso e piani di collegamento, creando soluzioni sempre nuove ed al passo con l'evoluzione del lavoro.

T45 is the expression of simple shapes and stylistic research. The desk, thanks to clean lines and large surfaces, is renewed by integrating credenzas, storage compartments and returns, creating new solutions that follow the evolution of the contemporary work.

L'ufficio direzionale contemporaneo in una visione stilistica capace di coniugare versatilità e concretezza. Scrivania, contenimento, riunione, elementi formali semplici ed essenziali, geometrie pure, spessori importanti, tutto contribuisce a comporre luoghi di lavoro che privilegiano il benessere.

The executive office in a contemporary vision, able to combine versatility and solidity. Work, store, meet: formal simple and basic elements, pure shapes, strong thicknesses. All these features contribute to compose a workplace that enhance well-being.

T.45

Una collezione di grande impatto estetico. L'accostamento di finiture ed essenze genera una perfetta sintesi tra funzioni e design, tra prestigio e tecnologia. L'elevata componibilità degli elementi - piani, strutture, mobili di servizio, box multiuso - permette molteplici accostamenti cromatici e personalizzazione dello spazio lavoro.

A collection with great aesthetic impact. The combination of finishes creates a perfect balance between functionality and design, prestige and technology. The high modularity of all elements - desktops, structures, credenzas, storage compartments - allows multiple finish combinations in order to customize the workspace.

T-45

Lo spazio lavoro interpretato in modo attuale e non convenzionale. L'originale accostamento di materiali ed elementi di servizio crea composizioni d'arredo dalla forte personalità e sempre funzionali.

The workspace interpreted with a contemporary and unconventional vision. The smart and original combination of materials and elements creates solutions and configurations with a strong personality and functionality.

Riunione: lo spazio dedicato alle relazioni, allo scambio, al decidere insieme. Il tavolo dalle grandi superfici consente di personalizzare l'intero ambiente, risolvendo ogni necessità operativa ed estetica.

Meeting: a space consecrated to relationships, brainstorming, decisions. The wide boardroom surfaces allow you to customize the entire environment, solving every operational need and aesthetics.

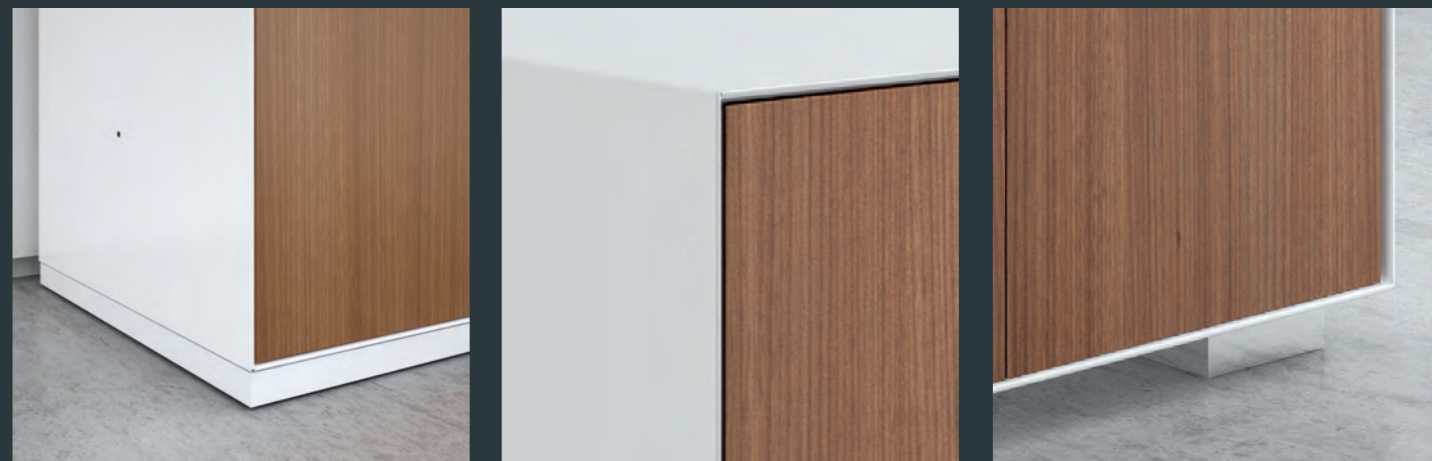

Dettagli per rispondere alle necessità del buon lavoro. Gli elementi destinati all'archiviazione, contenitori, cassettiere, ogni elemento partecipa alla creazione di un ambiente in cui si fondono valore d'uso e coerenza estetica.

Details in order to follow the working needs. Filing cabinets, storage units, pedestals, each item is part of the environment where aesthetics combine with practicalness.

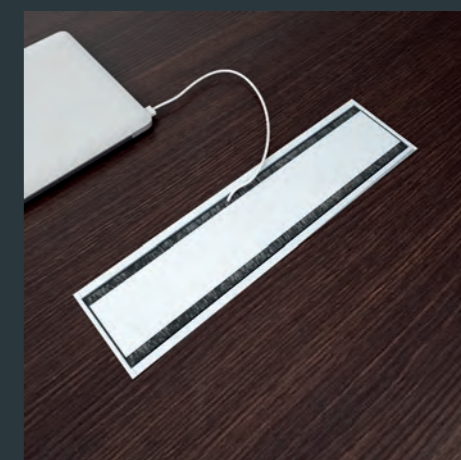

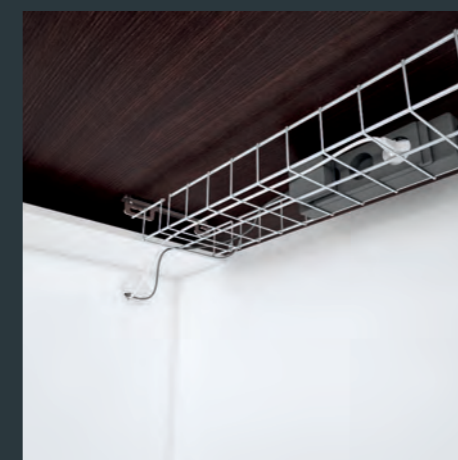

Contenere e archiviare:

"creare ordine" trova soluzione
nei mobili con struttura
melaminica o metallica.

Containing and storing:
the everyday need to create
order finds solution in the storage systems
with melamine or metal structure.

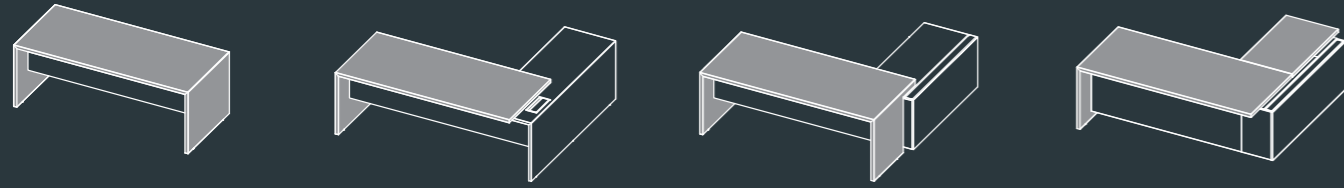

Particolare attenzione è stata rivolta alla funzionalità delle connessioni nella postazione lavoro. Top access ispezionabili, canaline passacavi orizzontali e verticali sono i diversi componenti che permettono di essere continuamente connessi con il mondo.

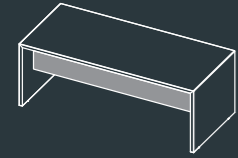

Particular research and attention was paid to the functionality of the connections in the working space. Lift-up flaps, cable trays, horizontal and vertical wiring management are the different components that allow you to be continuously connected with the world.
